## Guidelines for Responding to Personal Prophecy

**Everyone who receives a personal prophecy should:**

- Immediately write out your prophecy and meditate on it.
- Review your prophecy with your spiritual covering.
- Don't move based on the word without confirmation and counsel.
- Prove every word with Biblical principles and a witness of the spirit.
- Remember, prophecies are always conditional.

**For more information on how to respond and walk out your personal prophecy, email us at: [submerge@biblevs.org](mailto:submerge@biblevs.org)**
